EXECUTIVE POSITIONS AND MEMBERSHIPS

- 2021 - **Member of the executive committee of philosophie.ch**
- Since 2021, I am a member of the executive committee of the Swiss association philosophie.ch aimed at science dissemination and official publisher of the international journal *Dialectica*.
- 2017 - **Coordinator of the MAP** – the Research Master in Philosophy – USI, Lugano
- In collaboration with Kevin Mulligan, I have created from scratch and currently run the MAP – the Research Master in Philosophy in Lugano. My administrative responsibilities span from curriculum design, selection, recruitment and evaluation of teaching of 25 visiting professors, supervision of collaborators (one PhD assistant, five student assistants), strategic development, marketing, mentoring of students, overseeing day-to-day administration of teaching, institution of international exchange programmes, organization and supervision of academic events, financial budgeting, statistical analysis.
- 2018 - **Deputy Director**, Institute of Philosophy, Lugano
- Since January 2018, I am the de facto main supervisor of the Institute of Philosophy in Lugano (the Rector acts as the ad interim Director of the Institute). On top of my responsibilities as Supervisor of studies, I take also care of supervision of collaborators (one administrative manager, two student assistants), marketing, organization and supervision of academic events, financial budgeting, statistical analysis, relations with other institutions and the press.
- 2016 - **Supervisor of studies and Member of the Faculty Board** – Institute of Philosophy, Lugano
- The Supervisor of studies at the Institute acts as a typical UK director of undergraduate studies, overseeing curriculum design, day-to-day administration of teaching, taking care of the selection, recruitment and evaluation of teaching of the 20 visiting professors of the Institute, mentoring of students. In my capacity as a member of the Faculty Board, I contribute to the strategic planning and financial budgeting of the Faculty.
- 2010 - **Member** – Eidos, the Centre in Metaphysics
- Members of Eidos are allowed to participate in the Eidos weekly research meeting as well as in the yearly conference.

2016, 2017-18 **Deputy Director** (2016) and then **Director** (2017-18) – Aristotle College

Aristotle College is a private university college in Lugano. It offers board, lodging and a supplementary training to 25 students of any of Lugano's universities, which are selected on the basis of merit. My duties included student selection and mentoring, design of the supplementary training, financial budgeting, relations with other institutions and private sponsors.

2010 - 2013 **Member of the editorial committee** – *Dialectica*, An International Journal of Philosophy

My duties included internal refereeing, selection of external referees, participation in the final decisions of the papers I have internally refereed.
